

WATER FROM A ROCK

Exodus 17:1-7

Exodus 17

¹The whole Israelite community set out from the Desert of Sin, traveling from place to place as the LORD commanded. They camped at Rephidim, but there was no water for the people to drink. ²So they quarreled with Moses and said, “Give us water to drink.”

Moses replied, “Why do you quarrel with me? Why do you put the LORD to the test?”

³But the people were thirsty for water there, and they grumbled against Moses. They said, “Why did you bring us up out of Egypt to make us and our children and livestock die of thirst?”

⁴Then Moses cried out to the LORD, “What am I to do with these people? They

are almost ready to stone me.”

⁵The LORD answered Moses, “Walk on ahead of the people. Take with you some of the elders of Israel and take in your hand the staff with which you struck the Nile, and go. ⁶I will stand there before you by the rock at Horeb. Strike the rock, and water will come out of it for the people to drink.” So Moses did this in the sight of the elders of Israel. ⁷And he called the place Massah and Meribah because the Israelites quarreled and because they tested the LORD saying, “Is the LORD among us or not?”

WATER FROM A ROCK

Exodus 17:1-7

Moses struck the rock with his staff and water came out

THE BIBLE TIMES HERALD

A SPECIAL REPORT ON EXODUS 17:1-7

WATER FROM A ROCK

Moses and Aaron led the Israelites through the desert.

The Israelites began to complain again. They said to Moses, “Give us

water to drink. Why did you bring us out of Egypt to make us die of thirst in the desert?”

Moses prayed to the Lord and asked, “What should I do? The people are almost ready to stone me.”

The Lord told Moses to walk ahead of the people with the elders. The Lord said to touch a rock with his staff, or stick, and water would come out.

Moses did as the Lord instructed him. When Moses touched the rock with his staff, water came flowing out!

God continued to provide for his people while they lived in the desert.

To find out more, read Exodus 17:1-7 in your Bible.
